S&DR200 Festival

Celebration of Heritage is not just about looking back or replaying past ideas it is about:

New Audiences, New technology, New ideas. – this is what S&DR represented in 1825

We are working with National, International & Hyper local.

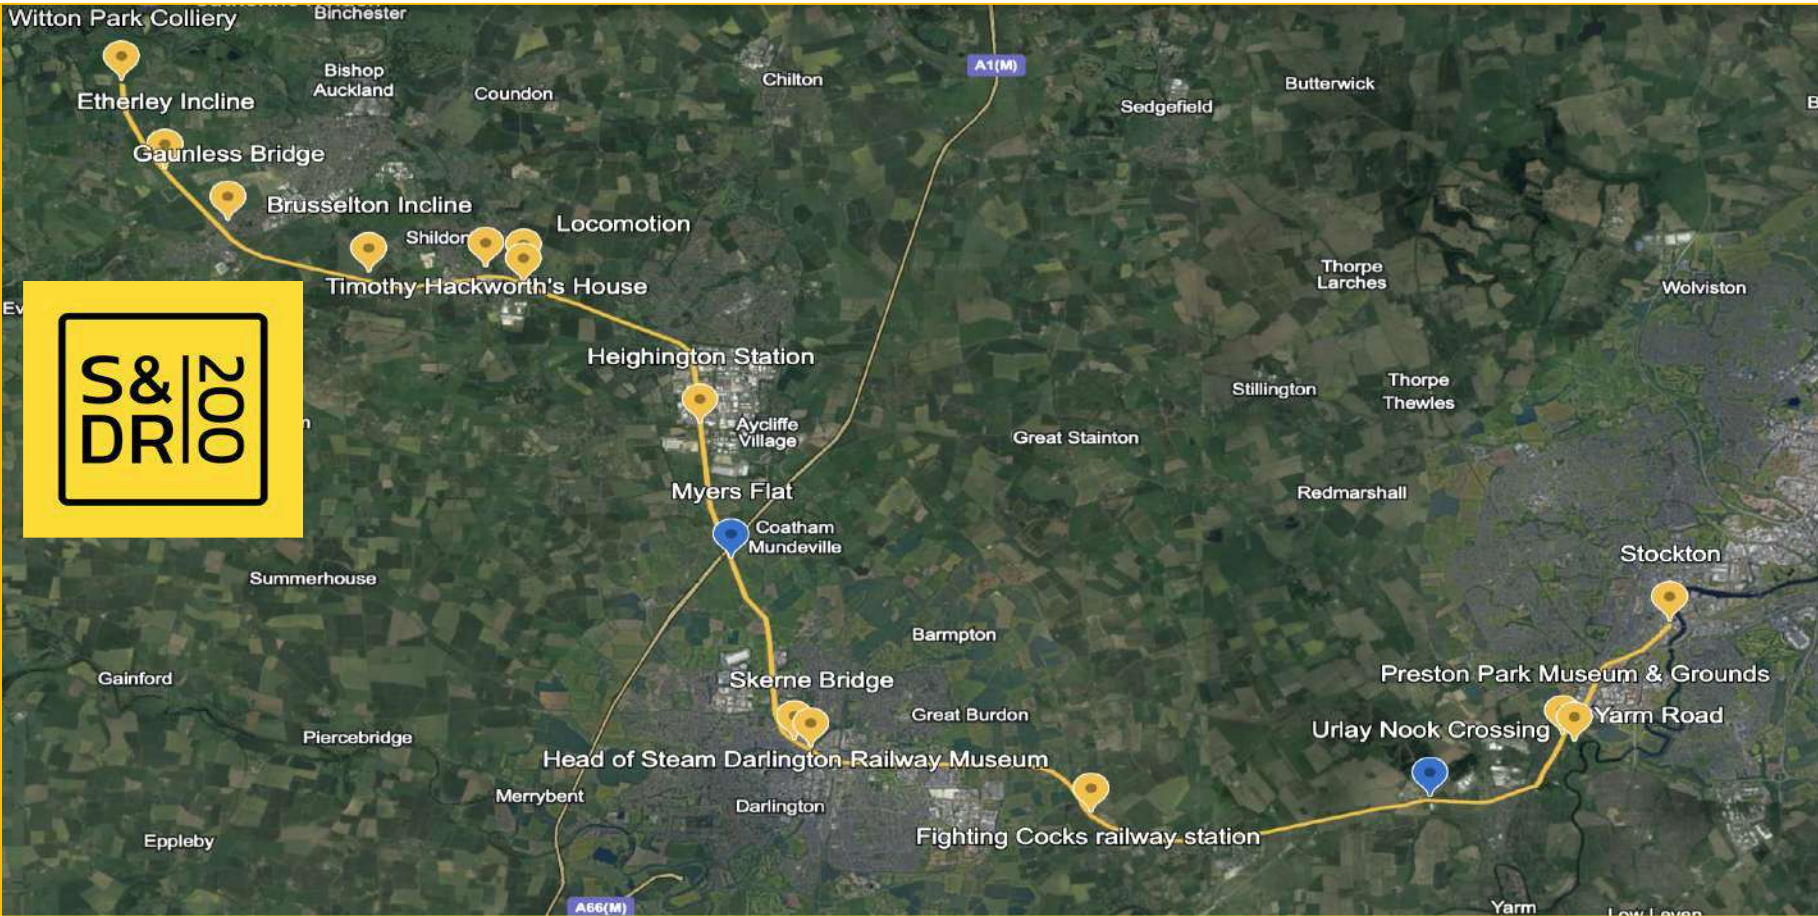

AIMS FOR 2025

- The aim of the festival surrounding these permanent assets profiling the region, people, art, STEM
- Linking our amazing Museums: Locomotion a World leading institution, Preston Park Museum , with its new state of the art Gallery space & Hopetown with its new focus & facilities.
- Look at the future with an eye on international and national partnerships.
- CELEBRATE : Communicates the achievements in an interactive live audience photo & tele-visual manner
- Place make through heritage and cultural exploration.
- Live skills through workshops, commissions and other touch points to sustain and build on the cultural offering of the region.
- Forward thinking using the heritage as a catalyst.

Excitement, Spectacle, Celebration.
